What about tools?

Meeting C++ online tool fair

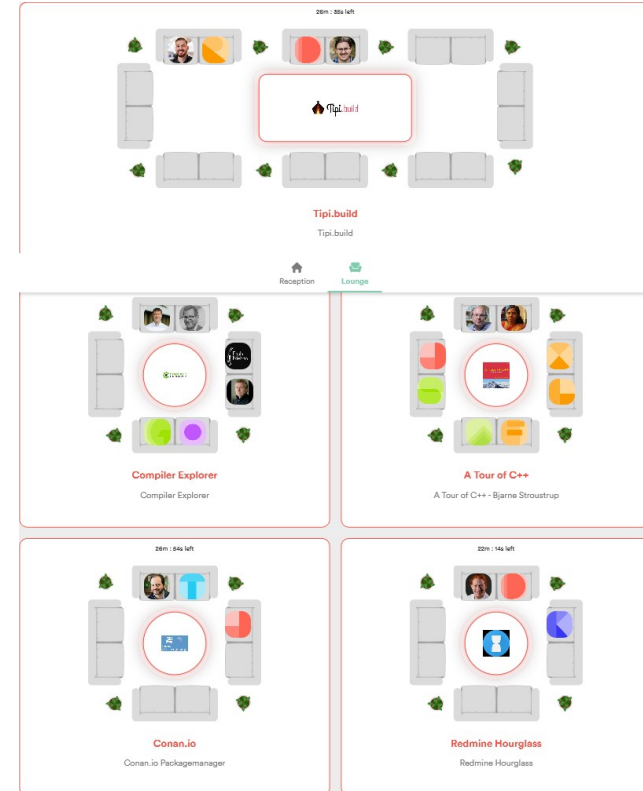

Book & Tool fair scheduled for 16:20 in "Rooms"

Hosted on Hubilo

The screenshot shows the Hubilo event interface. At the top, there's a navigation bar with icons for Reception, Agenda, Exhibitors, Lounge, and Rooms. The main header area displays the event title "Meeting C++ online" and the date "02 November 2021". Below this, a description states: "Our monthly meeting features Daisy Hollman talking about What you can learn from being too cute: why you should write code that you should never write! Join us in the Lounge for a chat. You can join any table with a free seat! Agenda 19:00 Socializing in the Lounge / Get to know Hubilo 19:30 Welcome message 20:00 Talk... Read More". The central part of the page features a large black banner with the text "Meeting C++ online" in white. Below the banner, there's an "Agenda" section with a "Featured" tab. It lists two sessions: "Session will start in 06d : 21h : 36m : 14s" and "Session will start in 06d : 22h : 06m : 14s". The first session is titled "Welcome Message" and the second is "What you can learn from being too cute: why you should write code that you should...". Both sessions have a "Join as Host" button.
